

UCLA

Start-Up Fair

A long-awaited alliance between the largest clubs from North and South campus to develop minds and create careers.

Engineers

Jumpstart your career with one LA's most promising start-ups!

We have chosen LA's best start-ups which provide fast-paced, creative and challenging jobs for young engineers.

They are all accepting applicants for internships and full-time!

- **Codewars**
- **Pyro-E**
- **ScaleFunder**
- **CARD.com**
- **Scopely**
- **Enplug**
- **Originate**
- **Factual**
- **AtThePool**

and many others!

Entrepreneurs

Have smart ideas for a business? Interested in becoming an entrepreneur? UCLA Start-Up Fair can put you on the path to success!

- **Pitch your business ideas** to 3 of the largest start-up incubators and competitions in the nation!
 - **Thiel Fellowship**
